Dear Boaters,

This brochure is not an official government document but a brief guide to help you understand and ease the process of entering Mexico by sea and complete the immigration process (Maritime Mexico FMM Process).

– Happy cruising!

INTRODUCTION

INM-Instituto Nacional de Migración (National Immigration Institute) is the government arm required by Mexican Law to oversee foreign individuals visiting Mexico. INM has created a new PRE-TRAVEL simplified process in order to facilitate the documentation of those individuals wanting to visit Mexico by boat and wishing to engage in recreational activities, including sport fishing, whale watching, diving and cruising — among others.

The process involves the completion of four simple steps which may be completed BEFORE departing for Mexico, as outlined below.

IMMIGRATION REQUIREMENTS WHICH MAY BE PROCESSED BY YOU PRIOR TO ARRIVAL IN MEXICO BY PRIVATE BOAT.

STEP ONE

Visit the following Internet portal to apply for entry to Mexico and pay the required fees: https://www.banjercito.com.mx/registroEmbarques/

Follow the instructions and save the electronic receipt. You will need it when you e-mail the passenger list to INM in the next step. Also print out a copy to keep with you on the boat.

The following information must be provided:

a. Passport number of the person responsible for the vessel

b. Vessel Documentation (State or Federal Documentation).

c. A $332 Mexican Pesos fee per each visiting foreigner as required by the Federal Fee Act (Ley Federal de Derechos), Article 8, Section I. The fee must be paid using a credit card. The cardholder should be the same person responsible for the boat.

STEP TWO

Download and complete the spreadsheet with the information of the vessel and passengers from:
http://www.inm.gob.mx/index.php/page/instrucciones_para_pasajeros/en.html

Here you will find the following:

- A Sample Form (spreadsheet) for submission of a list of maritime passengers and crew members — delete the sample information and insert your passenger list. Save it to your computer following the instructions on the web page including how to name the file correctly.
- A guide for filling the Form for the submission of a list of maritime passengers and crew members
- An e-mail Directory/List of INM Ports addresses for submission of lists of maritime passengers and crew members.

STEP THREE

E-mail the completed spreadsheet to INM and copy of your receipt (See STEP TWO above, 3rd bullet on how to find the correct e-mail address)

As an example if you are leaving from Southern California you should send the e-mail to the Ensenada INM Office at:
http://www.inm.gob.mx

STEP FOUR

Once the visitors information outlined above is sent to INM, INM will e-mail you back the entry authorization (or denial) to the individuals intending to enter Mexico's territorial waters onboard the given vessel. The document must be kept aboard the vessel at all times along with the receipt of payment.

- The authorizing e-mail will also contain INM's permit to enter as a Visitor Without Permission to Perform Activities for Profit (i.e. work for income/profit).
- The length of the stay will be the amount of time requested by the applicant, but shall not exceed 180 days, and cannot be used for multiple entries and departures.
- A copy of your information will be sent to the Secretary of the Navy (SEMAR) and to the Secretary of Communications and Transportation (SCT.)

IMMIGRATION REQUIREMENTS BY INDIVIDUALS UPON ARRIVAL IN MEXICO BY SEA ON A PRIVATE VESSEL.

Passport/Visa

- ALL foreigners traveling to Mexico, including U.S. citizens, are now required to carry a valid and current passport to enter Mexico.
  Non-Mexicans from certain countries may also require a Visa. Contact a Mexican Consulate for a list of these countries or:
  http://www.sre.gob.mx/index.php/representaciones/consulados-de-mexico-en-el-exterior.
  Children under 18 years of age need a notarized letter for travel if not accompanied by both parents.
- When arriving at your first Mexican port of entry you will need to check-in at the local immigration office and show your passport, each crew member will need to fill out an entry permit, now called an FMM and pay $332.00 Mexican Pesos per person at the bank.
- You may also pre-pay the immigration service fee online prior to your departure to Mexico, or before visiting the local immigration office at the first Mexican port. SEE PREVIOUS SECTION "STEP ONE" ON HOW TO DO THIS.

A Passport **Book** allows U.S. Citizens to travel to/from Mexico using any means of transportation.

A Passport **Card** allows U.S. Citizens to enter Mexico territorial waters by boat on a sports fishing trip, and then return to the United states. WITHOUT going ashore in Mexico.

FMM — Forma Migratoria Multipe

- Forma Migratoria Multiple loosley translates into "Multiple Immigration Form."
- It is simply known as FMM, and is the permit form required to enter Mexico by boat and whether you go ashore or not.

Each person must fill out an FMM form upon arrival.

Immigration officials will keep the top part and you will keep the bottom part. This is your proof that you are in the country legally.

You keep this portion.

DO NOT LOOSE OR MISPLACE THIS DOCUMENT!

You will need to surrender it upon leaving the country.

VESSEL DOCUMENTATION REQUIREMENTS

- Every vessel entering Mexico must carry ORIGINAL current Vessel Documentation or Registration that proves ownership; this means Federally Documented vessels will need to present a USCG Certificate of Documentation and undocumented vessels will need to have a valid State Registration. Foreign flag vessels from Canada, Australia, United Kingdom, British Virgin Islands, Cayman Islands, Republic of Marshall Islands, Japan, etc., will require a current Certificate of Registry.
- All vessels registered under a Corporation or LLC are required to have an original notarized letter onboard authorizing the Master or Representative to operate the vessel.

TEMPORARY IMPORT PERMIT FOR VESSELS (TIP)

All vessels are required to have a Temporary Import Permit (TIP) when in Mexico. The ORIGINAL TIP must be on board the vessel at all times.

PERMISO DE IMPORTACIÓN TEMPORAL DE EMBARCACIÓN

IMPORTADOR

If the vessel does not have a Temporary Import Permit "TIP" on board, or fails to exit Mexico prior to it's expiration, the vessel will be considered to be in Mexican territory illegally and may be subject to fines and/or confiscation by Customs Authorities.

Temporarily Imported Vessels cannot be sold in Mexico and chartering requires Mexican permits.

A TIP may be obtained from the following sources:

a. Online prior to your departure for Mexico. Apply between 60 and seven days before you depart at https://www.banjercito.com.mx/registroVehiculos/

b. At the first Mexican official port of entry in Mexico, available at any Banjercito CIITEV office at one of the following Mexican ports of entry, as well as border entry ports:

- Acapulco
- Mazatlan
- Ensenada
- Manzanillo
- Guaymas
- Puerto Vallarta
- La Paz
- Salina Cruz
- Puerto Juarez
- Veracruz
- Pichilingue
- Tampico
- Lazaro Cardenas
- Coatzacualcos

Note: There isn't a Banjército Office in Cabo San Lucas; therefore it is recommended to use Ensenada, Baja California, as your first Port of Entry if coming into Mexico from the West Coast of the U.S.

c. You may also acquire the TIP at the following Mexican Consulates:

- CALIFORNIA: Los Angeles, Sacramento, San Bernardino
- ARIZONA: Phoenix
- TEXAS: Dallas/Fort Worth, Houston, Austin
- COLORADO: Denver
- ILLINOIS: Chicago
- NEW MEXICO: Albuquerque

CLEARING INTO MEXICO FOR THE FIRST TIME

A vessel must clear-in when entering Mexico at the first official port of entry.

The clear-in process is as follows:

a. Complete the Crew List Document

b. Go to the immigration office and get the Crew List properly stamped and have FMMs *(Forma Migratoria Multiple)* issued for all passengers

c. Go to the Port Captain's Office with the completed form to pay the Clear-In Fee and have the document duly authorized and stamped. In some ports you may be required to pay a Port Use Fee with the API (Port Administrator).

CLEARING INTO AND OUT OF PORTS WITHIN MEXICO ("CABOTAGE")

- If you are navigating from one Mexican port to another, all that you will require is that you inform the Harbor Master or marina of your arrival or departure by means of an "Aviso" (Notification).
- Depending on the Harbor Master's office, some may require a written notification, while others allow a verbal one via VHF, channel 16.
- In some ports you must pay a Port Use Fee when arriving and anchoring (if you anchor out). These fees are paid to the API. (The port administration)

CLEARING OUT OF MEXICO

A vessel must clear-out when leaving Mexico at the last official port of exit.

The clear-out of Mexico process is as follows:

a. Complete the Crew list for exiting Mexico (Zarpe).

b. Go to the Immigration office to get the crew list stamped and surrender the FMM forms.

c. Go to the Port Captain's office to pay the Vessel's Check-out fees and have the crew list stamped with the authorization to exit the country of Mexico.

NOTE: Do not skip the clear-out process, since the next time you visit Mexico, your information may show that you never left the country and therefore you are considered to be in Mexico illegally.

FISHING LICENSES

IF YOU CARRY FISHING GEAR ONBOARD, EACH AND EVERY PERSON ON BOARD MUST HAVE A VALID FISHING LICENSE.

While in the U.S., fishing licenses may be obtained in person or by mail from: Mexican Department of Fisheries,
2550 Fifth Ave. Suite 15, San Diego, CA 92103. Tel. (619) 233-4324
www.sportfishinginmexico.com
They can also be obtained locally from the Baja California and Baja California Sur State Government sites:
pesca.ebajacalifornia.gob.mx/Pesca and
apps.bcs.gob.mx/finanzas/finaweb/fonmar/index.php

Another very informative site including fishing tournaments and events, plus a lot more about fishing in Mexico is:
pescadeportiva.conapesca.sagarpa.gob.mx:82 (Once there, click on "English")

Regardless of where the licenses are purchased they are valid for use anywhere within territorial Mexican waters.

A new website chock full of information - currently in Spanish, should be available in English by the time this brochure is published, or soon thereafter:
pescadeportivaenmexico.sectur.gob.mx/

INSURANCE

All vessels in Mexican waters are required to show proof of valid Liability Insurance.
Check your policy to make sure the vessel is covered in the areas you will be cruising and visiting.

Anybody interested in observing marine wild life at close range, such as whales, white sharks, whale sharks, etc., must contract an authorized service provider licensed by SECTUR as stated in article 100 of the Mexican Wild Life General Law (Ley General de Vida Silvestre)
