

Announcement

OPEN TO: ALL PROFESSIONAL ENGINEERING COMPANIES/CONTRACTORS.
OPENING DATE: SEPTEMBER 1st, 2016
CLOSING DATE: SEPTEMBER 14, 2016 @ 2.00 P.M.

The U.S. Consulate General in Hermosillo is looking for reliable contractors/companies which can provide Engineering/Construction Services to repair the storage area roof, located above the Consulate building's Basement for rain fall water leaks.

The purpose of this firm fixed price contract is to avoid any water filtration that can damage all the items stored in the area.

Work requirements includes but not limited to demolition, relocation of HVAC equipment, removal of grill, seal and repair of cracks, coat application, paint application.

For more details on the job to be performed, please read PART II of Scope of Work section, "Work Requirements" of the attached document named RFQ SMX57016-Q-0004 Storage area Roof Repair.

A site visit is scheduled on September 07 2016 at 9:00 A.M., for all interested bidders to inspect the site, take all necessary measurements, and observe the existing conditions in order to prepare an accurate bid.

Bid presentation date will be September 14, 2016, no later than 2:00 P.M.

Interested contractors for this competition must contact:
