Office of Citizens Consular Services

Doctors in Mexico City

The U.S. Embassy Mexico City does not assume responsibility for the professional ability or integrity of the persons or firms whose names appear on the following list.

The following list is arranged in alphabetical order by surname. It does not list all the well-qualified physicians in Mexico City, but provides a representative selection. It is based upon their having rendered satisfactory services to American personnel in the past as well as having provided the Embassy with details of their medical training and experience.

The Embassy assumes no responsibility for either the quality of these doctors' services or for their fees.
