List of Attorneys

The U.S. Consulate General in Guadalajara assumes no responsibility for the professional ability or integrity of the attorneys listed below. Names are arranged alphabetically and the order of listing has no other significance. Some reputable lawyers have chosen not to be included on this list; thus, no negative connotation can be drawn from the absence of a name from the list. Please note that not all employees of the firms listed below speak English. Non-Spanish speakers should ask for the listed attorney by name. Complaints regarding any of the attorneys listed below should be submitted to our office in writing.

Note: In Mexico the title *licenciado* (abbreviated Lic.) is used to indicate any professional person, not necessarily an attorney. All *licenciados* on this list are licensed to practice law. The terms *bufete* and *despacho* refer to a law office or firm of lawyers.
